Said Board shall have the ballots or the voting machines as the case may be so prepared as to have printed upon them a condensed summary of this Act. Printed on the said ballots or voting machines shall be the words "For Incorporation" and "Against Incorporation" with suitable provision to be made so that each qualified voter may indicate his choice on this question. If a majority of the persons voting on said question shall vote "For Incorporation", then this Act shall be immediately of full force and effect within the Town of Libertytown and said town shall be considered as a municipal corporation. All persons who have registered their intention of being such candidates seven days or more prior to the said special election shall have their names printed on the official ballots or on the voting machines as the case may be. They may also vote for write-in candidates. If a majority of the qualified voters voting on the question of incorporating the Town of Libertytown shall have voted in favor of such incorporation, the said Board of Elections shall proceed to canvass the votes cast for Mayor and Aldermen. They shall declare that person receiving the highest number of votes for Mayor to have been elected to such office and those three persons receiving the highest number of votes
