

217G. Any area or tract of land upon which any trailer camp is maintained, conducted or carried on shall be well drained and graded so as to prevent standing water or muddy conditions. All trailer camps shall be kept free from dust.

217H. All trailer coaches, rooms, compartments, and every part of any trailer camp shall be kept clean and free from the accumulation of refuse, garbage, rubbish or debris of any kind, and no excessive infestation of flies or insects of any kind shall be permitted to exist.

217I. Every trailer camp shall be laid out with an available camping site of not less than twenty (20) feet by twenty-five (25) feet for each camping party. No greater number of camping parties shall be allowed than there are available camp sites.

217J. An adequate supply of clean water shall be furnished to meet the requirements of said trailer camp. Said water supply shall be obtainable from faucets only. No dipping vessels or cups shall be permitted. Faucets shall be provided within one hundred (100) feet of any part of any such trailer camp.

217K. No person, firm or corporation using, occupying, operating, or maintaining any trailer coach in St. Mary's County shall deposit or dispose of any garbage, rubbish or refuse except by burning or burying the same at a distance of more than fifty (50) feet from any public highway or road and more than two hundred (200) feet from any spring, well, stream, lake, reservoir, or other source of water supply.

217L. Buckets or other suitable receptacles shall be placed in such a manner as to receive all water or waste which may be deposited from any refrigerator drain, sink or waste pipe of any trailer coach while the same is camped, parked or located within the confines of St. Mary's County, and it shall be unlawful to permit such buckets or receptacles to overflow while so placed. Said buckets or receptacles shall not be emptied nor shall their contents be disposed of within fifty (50) feet of any trailer coach, public highway or road or within two hundred (200) feet of any spring, well, stream, lake, reservoir or other source of water supply.

While any trailer coach is camped or parked within the confines of any trailer camp no person shall empty said buckets or receptacles or dispose of their contents except in slop sinks provided for this purpose.
