

land-National Capital Park and Planning Commission or at any other place within Prince George's County which, in the judgment of the Board, shall suit its or public convenience.

952D. The Board shall appoint and fix the salary and terms of employment of a Director of Recreation, who shall not be a member of the Board and who, under the direction of the Chairman and in accordance with the policy of the Board, shall be responsible for the general organization, administration, and supervision of the program of public recreation contemplated and provided for by this Act. The Director of Recreation shall be a person of such training, experience, and capacity as will especially qualify him to discharge the duties of his office. He shall possess those qualifications of education, training, and experience in recreation work, as well as executive and administrative experience, which will assure a thorough knowledge of current theory and practice in public recreation work and give promise of the administrative ability necessary to administer a program of public recreation in and for the areas under the Board's jurisdiction.

The Board is empowered to appoint, promote, demote, and terminate the employment and fix the salaries and wages of such personnel, including planning, engineering, secretarial, clerical, and other, as are necessary to carry out the purposes of this Act. Such personnel may be employed on an annual, part-time, or temporary basis. The employment of volunteer workers without compensation may also be accepted by the Board upon recommendation of the Director. The Board may also contract with The Maryland-National Capital Park and Planning Commission for the performance of such technical, engineering, planning, and legal services as may be necessary.

952E. The Board's jurisdiction shall extend throughout Prince George's County to any publicly or privately owned lands or buildings as to which the appropriate governmental agency having title or jurisdiction or the owner, respectively, shall request the Board to conduct its program, provided that the Board shall find the land or buildings in each case appropriate for recreational development and use.

The Board shall allocate, supervise, and direct the expenditure of all appropriations and/or other funds made available to it from whatever source.

952F. For the purpose of providing an adequate and balanced recreation program to serve the varied needs and interests of the several age groups among the residents of the county, the Board shall have the power to initiate, adopt, conduct, direct, or cause to be conducted or directed under
