

its supervision a comprehensive program of public recreation which shall include the operation and direction of games, sports, arts and crafts, hobby shops, music, drama, dancing, nursery play, and such other physical, social, mental, and creative opportunities for leisure-time participation as the Board shall deem advisable to offer in major recreation centers, playfields, athletic fields, playgrounds, tennis courts, baseball diamonds, swimming pools, golf course, community centers, and social centers in publicly or privately owned lands and buildings or other facilities made available to the Board for such purposes by the County Commissioners, the Board of Education, The Maryland-National Capital Park and Planning Commission, or any other agency having jurisdiction over such facilities or any municipality or other political subdivision within the County.

The Board shall have authority to indemnify the owner of any land or building in or upon which a recreational program is conducted by the Board against any claim for personal injuries or other damages arising out of the conduct of the said recreational program.

The Board is further authorized to equip, develop, operate, and maintain, and issue permits for use of, any of the facilities made available to it, provided that in park or other lands or in buildings owned or under the jurisdiction of The Maryland-National Capital Park and Planning Commission such equipment, development, operation, maintenance, and issuance of permits shall be in accordance with the Commission's plan and subject to its approval. In the selection of locations for the undertaking of various phases or aspects of the comprehensive recreational program in the Maryland-Washington Metropolitan and Regional Districts, the Board shall be guided by the Master Plans of Parks and Parkways and of Recreational Facilities and/or proposals and studies preparatory thereto adopted or developed by The Maryland-National Capital Park and Planning Commission as part of the general plan for the physical development of the said Districts.

952G. The Board shall prepare and submit to the County Commissioners an annual budget, itemizing the appropriations necessary for the performance of its functions and duties under this Act, including appropriations necessary for equipment, operation, and maintenance of facilities under its supervision and in the operation of its recreational program.

The County Commissioners of Prince George's County are hereby authorized to issue, upon the full faith and credit of said County, general obligation bonds in amounts not exceeding Sixty Thousand Dollars (\$60,000.00) annually for three
