

the City, a sample ballot, showing the names of all persons to be voted upon in the said primary election. The names shall be arranged in alphabetical order, with the candidates for Mayor being listed first, and the candidates for City Councilman following. There shall be no party designation as to any candidate. Each ballot shall contain the notation above the list of candidates for Mayor, "Vote for One;" and each ballot shall contain the notation above the list of candidates for City Councilman, "Vote for Four". The ballots for the primary election shall be printed and arranged in the same form.

18. WARDS AND PRECINCTS. The Mayor and City Council by ordinance may establish wards and precincts within the corporate limits, change the lines thereof, and divide or consolidate existing wards and precincts. Until and unless the wards and precincts are so changed by ordinance, they shall remain as established at the time this Article becomes effective.

19. POLLING PLACES. Polling places in the several precincts of the City shall be established and located at the determination of the Board of Election Supervisors. The Board of Election Supervisors shall place therein the necessary equipment and personnel properly to conduct the municipal primary election.

20. TABULATION. (a) The said Board shall complete and verify the tabulation of all votes cast in the said primary election. It shall then make prompt announcement of the results to the Mayor and City Council. The two candidates for Mayor receiving the highest number of votes shall have their names placed upon the ballots for Mayor at the following municipal general election; the eight candidates for City Councilman receiving the highest number of votes shall have their names placed upon the ballots for City Councilman at the following municipal general election; and if no primary election was necessary for either Mayor or City Councilman, or both, by reason of there being an insufficient number of candidates to require a primary election, the names of all those candidates for the office in question who filed proper petitions for nomination with the City Clerk, shall be placed upon the ballots for Mayor and City Councilman, as the case may be, at the following municipal general election.

(b) If the said tabulation shows an equal number of votes received by two or more candidates, so that it is not possible to specify the two highest candidates for Mayor or the eight highest candidates for City Councilman, as the case may be,
