

and upon the conditions hereinafter prescribed. No participant shall be entitled to retire under this sub-title nor under these regulations, upon a full pension, except for permanent disability arising out of accidental injury in the course of duty, until he has rendered at least twenty-five (25) years' service in the Fire Department of the City. Upon completion of twenty-five (25) years' service, he shall upon his written application be retired; upon attaining the age of sixty (60) retirement shall be mandatory.

141. AMOUNT. Any member retired upon pension who shall have been in service at least twenty-five (25) years, shall be entitled to receive fifty percent (50%) of his salary as fixed at the time of his retirement. Any participant obtaining a pension must have served in his position for at least one (1) year immediately prior to his retirement in order to receive a pension as prescribed above. If he shall not have served one (1) year in said position, he shall receive fifty percent (50%) of the salary paid him by the City during the preceding year.

142. REGULATIONS. (a) Any pensioner of the Fire Department Pension Fund who obtains employment with any Department or Agency of the City shall forfeit his pension with the Fire Department Pension Fund during the time of his employment. Any member of the Fire Department who shall be disabled through injuries received in the line of duty in said Department shall be eligible for a pension under this section, in the event that said disability continues after the period allowed by the workmen's compensation laws of the State of Maryland.

(b) No participant shall become eligible for any pension from the Fire Department Pension Fund until he has served as a member of the Fire Department for a period of ten (10) years.

(c) Any member of the Fire Department who shall have served as a member of said Department for a period of less than twenty-five (25) years but not less than ten (10) years, and who becomes permanently disabled by reason of accident, sickness, or physical disability, shall be entitled to receive a pension in the amount and under the rules and regulations hereinafter prescribed. Any member of the Department who shall become permanently disabled by reason of any accident incurred in the line of duty and who comes within the definition prescribed above shall be entitled to receive a full pension immediately after the expiration of any and all compensation payments to which he may be entitled under the compensation laws of the State of Maryland.
