

(55) SNOW. To require the owners or occupants of buildings to remove the snow and ice from cornices and other projections on said buildings.

(56) SOLICITORS. To license, tax, regulate or prohibit solicitors for hotels, restaurants, or other establishments and purposes, including solicitors for magazines and periodicals.

(57) STEAM BOILERS. To require the inspection and licensing of steam boilers, and to prohibit their use when unsafe, dangerous, or without a license.

(58) STORES. To license, tax and regulate branch stores or establishments and all other concerns established in the City for temporary business only.

(59) STREET LIGHTS. To provide proper and suitable lights upon the public streets.

(60) SWEEPINGS. To regulate and prevent the throwing or depositing of sweepings, dust, ashes, offal, dirt, garbage, paper, handbills, dirty liquids or any other material into any street, alley or public place.

(61) TAXICABS. To license, tax and regulate public hackmen, taxicabmen, draymen, omnibus drivers, carters, cabmen, porters, and expressmen, and all other persons pursuing like occupation, and to prescribe their rates of compensation.

(62) TRAFFIC. To regulate all traffic within the limits of the City, including trains at grade crossings, and to prohibit interference with or injury to traffic signs and all other City property, subject to the provisions of Article 66½ of the Annotated Code of Maryland.

(63) UTILITY INSTALLATIONS. To authorize and require the inspection of gas pipes, water pipes, plumbing, drainage, sewage and electric lines or wires on private property or elsewhere; to compel them to be repaired or made secure by the owner or occupant, and on failure of such owner or occupant to do so, to authorize or require the gas or electric current to be shut off from the same until such repairs are made.

(64) VAGRANTS. To punish and suppress tramps and vagrants by imposing fines, or both fine and imprisonment at hard labor.

(65) VEHICLES. To regulate the use of streets and alleys by vehicles, and designate the kind of conveyances and vehicles which may not use designated streets, together with hours for the use of such streets by certain specified classes
