

at any place within the corporate limits of Hagerstown for park purposes; provided, that any such condemnation proceedings shall be instituted under the general laws of the State of Maryland. And the said City of Hagerstown is hereby authorized and empowered to levy a sum of money upon the assessable property of Hagerstown, sufficient to pay for said land for park purposes, at the time of the making of the annual levy for taxes by the Council and to be included therein.

92. The City of Hagerstown shall have all powers that are incident to and necessary for the operation of the municipal parks system, and these powers shall include the right to pass all ordinances not inconsistent with the powers herein granted that may be necessary for the protection and preservation of said parks, and to attach reasonable penalties thereto for violations thereof, and from time to time to repeal, alter and amend any such ordinances.

93. There is hereby created and continued a Board of Park Commissioners of five members. The five members of the Board of Park Commissioners in office at the time of the adoption of this Charter shall continue in office and each shall serve out the term of appointment. On or before the 1st day of March in any year in which the term of office of any member is to expire, the Mayor with the advice and consent of the Council shall appoint one person as a member of such Board in the place and stead of any person whose term has expired to serve for a term of three years or until his successor is appointed and qualified. The Board of Park Commissioners shall possess and shall be charged with the exercise and any and all powers of the City of Hagerstown incident to the management, control and supervision of the Parks of the City of Hagerstown. Vacancies in said Board shall be filled by the Mayor with the advice and consent of the Council.

X

SEWERAGE

94. The City of Hagerstown shall have power to own, operate, and maintain a sewerage system, as at present established or as hereafter to be established by the County of said City. The Council is authorized and empowered to pass all ordinances necessary to provide for the operation, management, maintenance, enlargement and improvements of said sewerage system, and to acquire property for use in said sewerage system by purchase, lease, or condemna-
