## CHAPTER 740

(House Bill 539)

AN ACT to repeal and re-enact, with amendments, Section 347 of the Code of Public Local Laws of Baltimore County (Smith's 1948 Edition), title "Public Works", sub-title "Sewer and Water" (Metropolitan District), to change the method of payment for installations of water supply service pipes in the Metropolitan District of Baltimore County.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That Section 347 of the Code of Public Local Laws of Baltimore County (Smith's 1948 Edition), title "Public Works", sub-title "Sewer and Water" (Metropolitan District), be and the same is hereby repealed and re-enacted, with amendments, to read as follows:

347. Plans for extensions of water supply lines by the Commissioners in the Metropolitan District shall be submitted to the Director of Public Works of Baltimore City for approval. The work shall be subject to inspection by a representative of the Mayor and City Council of Baltimore. The proper authorities of Baltimore City are hereby empowered, authorized and directed to make installations of water supply service pipes from the water mains to the curb line or, lacking such limit at the time of installation, to a corresponding appropriate location within the public way, whenever and wherever requested in writing by the Chief Engineer of the Metropolitan District. Before a request for the installations of such water supply service pipes shall be submitted by the Chief Engineer of the Metropolitan District to the proper authorities of Baltimore City, the individual, firm or corporation desiring the installation of a water supply service pipe
