

vehicle, the make, the model, type of body, the number of cylinders, the engine number (except in the case of commercial vehicles) and the serial number of the vehicle.

25.

(b) The registration card shall be delivered to the owner and shall contain the date issued, the name and address of the owner, the registration number assigned to the vehicle, the classification and/or weight for which registered and in the case of commercial vehicles, the factory identification number for such makes of vehicles as are so identified, or the factory serial number for such makes of vehicles as are so identified until the manufacturers thereof adopt and use an identification number.

34. (Regulations Governing Change of Engines.) The Department is authorized to adopt and enforce such registration rules and regulations as may be deemed necessary and compatible with the public interest with respect to the change or substitution of one engine in place of another in any private passenger motor vehicle.

49.

(c) Provided, that if the engine or part of engine bearing engine number removed from a dismantled *private passenger* vehicle is sold to be installed in another *private passenger* vehicle for operation upon the highways, the Department shall prescribe the form for transfer to the purchaser and subsequent application for new title by the purchaser.

66. (Vehicles Without Manufacturer's Numbers.) Any person who knowingly buys, receives, disposes of, sells, offers for sale, or has in his possession any private passenger motor vehicle or engine removed from a private passenger motor vehicle, from which the manufacturer's serial or engine number or other distinguishing number or identification mark or number placed thereon under assignment from the Department, or any commercial vehicle from which the factory identification number for such makes of vehicles as are so identified or the factory serial number for such makes of vehicles as are so identified until the manufacturers thereof adopt and use an identification number has been removed, defaced, covered, altered or destroyed for the purpose of concealing or misrepresenting the identity of said motor vehicle or engine is guilty of a misdemeanor.

107.

(c) There shall be issued one permit only per motor vehicle covered by the proof herein required. This permit shall be
