

sary Class A, B and C licenses are procured for each such device. One such license shall be required for each person or partnership who distributes for operation, places on location, rents, leases, owns or sells any such Class A, B and C Devices for public use in Prince George's County.

(f) No person or partnership shall be granted a Class D License hereunder unless and until such person, or in the case of partnership, each member of such partnership, has shown conclusively to the satisfaction of the Board of County Commissioners, in a sworn affidavit, the form and content of which is to be prescribed by said Commissioners, that they actually own the entire financial interest in the business to be conducted under such Class D License, that they are registered voters and property owners in Prince George's County, and that they have actually lived in said County continuously for at least two years immediately preceding date of application. Class D Licenses shall be non-transferable.

951C. (a) This sub-title is not intended to apply to mechanical or electrical personal weighing scales which do not offer or dispense any awards, music machines, or any type of bona fide merchandise or service vending machines. All other mechanical or electrical amusement devices which operate upon the insertion of a coin and do not offer or dispense any awards require Class A Licenses.

(b) No more than five Class A, B and/or C Amusement Devices may be maintained for public use upon a single public premises at one time.

(c) The term "awards" as used herein, shall include merchandise, prizes, tokens, coins or any other thing of value.

951D. It shall be unlawful for any person under 18 years of age to play any Class B or Class C Amusement Device. Any person violating this provision or any person or firm knowingly permitting such violation on their premises shall be guilty of a misdemeanor and upon conviction thereof be subject to a fine of not less than \$100.00 nor more than \$500.00 for each such offense.

951E. No person or firm shall maintain or permit or have upon his or their premises for public play and operation in Prince George's County, any Amusement Device for which the required licenses have not been obtained. Any such device found in operation upon any public premises without the proper licenses having been issued therefor shall be con-
