

fiscated by the Prince George's County Police and the owner or operator of such public premises, or his officer, manager or employee in charge thereof, and the owner of such device, shall be guilty of a misdemeanor and upon conviction thereof be subject to a fine of not less than \$100.00 nor more than \$1,000.00 for each such offense.

951F. All licenses issued hereunder shall be annual licenses and shall be issued for the year beginning May 1 of each year and expiring April 30 of the next succeeding year. The charge for licenses issued more than 30 days after the beginning of each such year shall be pro-rated according to the number of months or parts thereof remaining in said year, except that no license shall be issued at a charge of less than \$5.00. Licenses other than Class D may be transferred from one premises or owner to another upon application to the County Commissioners. A Clerk's fee of \$1.00 shall be paid on each license issued or transferred. One device may be substituted for another device of the same class upon the same premises without requiring any license transfer. Each Class A, Class B and Class C License Certificate shall show the license number of such license, the name and address of the premises where the device is to be maintained for public use, and the name and operator's license number of the owner of the device, and there shall be issued a metal tag showing the Class A, B or C License number, which metal tag thereafter shall be securely fastened to the device in such manner as will make it visible. Each Class D License Certificate shall show the license number of such license, the name and address of the licensee, and shall be exhibited to the Clerk each time a Class A, B or C License is issued or transferred thereunder. The Clerk shall not issue any Class D License without the approval of the Board of County Commissioners, and said Board may withhold such approval unless the members thereof are satisfied that the applicant has the required qualifications and that issuance of the license is in the best public interest.

951G. Any license fees received by the County Commissioners from the licensing of amusement devices after this sub-title becomes effective shall be applied first, to reimburse the Commissioners for the cost of the special election held hereunder. After said costs are paid, the County Commissioners shall, on or before the 30th day of each month, transfer all fees other than the Clerk's issuance and transfer fees, received by them under the provisions of this sub-title to the General Tax Fund for such uses as will directly or
