

provide the funds directed to be paid, rather than authorize them to do so. Therefore, I am vetoing this Bill.

SENATE BILL No. 307

AN ACT to repeal and re-enact, with amendments, Section 163 of Flack's Code of Public Local Laws of Anne Arundel County (1947 Edition), being Article 2 of the Code of Public Local Laws of Maryland, title "Anne Arundel County", sub-title "Assessments", relating to the expenses of the Supervisor of Assessments and of the County Assessors of Anne Arundel County and levying a tax therefor.

As this Bill is merely a duplication of existing law, I have concluded to veto it.

SENATE BILL No. 308

AN ACT to add a new section to Flack's Code of Public Local Laws of Anne Arundel County (1947 Edition), being Article 2 of the Code of Public Local Laws of Maryland, title "Anne Arundel County", to be under a new sub-title "License Inspector", said new section to be known as Section 390A and to follow immediately after Section 390 of said Code, relating to the appointment of a License Inspector for Anne Arundel County, his duties; and the duties of the County Commissioners of said County relating to licenses.

Both this Bill and House Bill No. 677 provide for the appointment of a license inspector for Anne Arundel County.

Since House Bill No. 677 has been approved and has now become law (Ch. 625), at the request of the County Commissioners I have vetoed this Bill.

HOUSE BILL No. 776

AN ACT to add a new section to the Anne Arundel County Code (1947 Edition), being Article 2 of the Code of Public Local Laws of Maryland (1930 Edition), title "Anne Arundel County", sub-title "Miscellaneous", said new section to be known as Section 250A and to follow immediately after Section 250 of said Code, relating to retirement of County Police and Firemen in Anne Arundel County.

The provisions of this Bill are inconsistent with the provisions of House Bill No. 688 (Ch. 631), which provided for a retirement system for members of the police department of Anne Arundel County, and for that reason the Senator from that county requests that the Bill be not approved.

The Bill has been vetoed.
