

immediately after Section 22 thereof; to license and regulate the practice of barbering in Allegany and Garrett Counties and to repeal Sections 304 to 317, inclusive, of Article 43 of the Annotated Code of Maryland (1939 Edition), title "Health", sub-title "State Board of Barber Examiners", in so far as they relate to Allegany and Garrett Counties, to exempt Allegany and Garrett Counties from the State-wide barber law.

This Bill seeks to exempt Garrett and Allegany Counties from the State-wide barber law, and to create a separate Board of Barber Examiners for those two counties.

As originally introduced this Bill undertook to revise and strengthen the law relating to the State Board of Barber Examiners, but as finally passed, it was amended to set up a separate Board for the two counties mentioned.

At the recent session of the Legislature the appointment of a commission was authorized to make a complete study of all licensing boards in the State, and under those circumstances I can see no justifiable reason for the creation of a separate Board now. The Bill has been vetoed.

### SENATE BILL No. 64

AN ACT to repeal and re-enact, with amendments, Section 19 of Article 99 of the Annotated Code of Maryland (1947 Supplement), title "Birds, Game and Inland Water Fish", sub-title "Hunter's License", clarifying the provisions of said section relating to the penalties for violating the provisions of said sub-title.

This Bill, designed to amend Section 19 of Article 99 of the Code, provides certain penalties for violation of the game laws. It imposes different penalties based upon the residence or non-residence within the State of the violator. A distinction predicated upon that fact alone is, I think, unwise and may be highly questionable from a constitutional standpoint, and I have, therefore, vetoed this Bill.
