LAVALE SANITARY DISTRICT

HOUSE BILL No. 608

AN ACT to repeal and re-enact, with amendments, Section 380A of Article 1 of the Code of Public Local Laws of Maryland (1930 Edition), title "Allegany County", sub-title "Lavale Sanitary Commission", to repeal Section 380F of said Article and sub-title and to enact a new Section 380F in lieu thereof, said sections having been enacted by Chapter 13 of the Acts of the Special Session of 1947, relating to the boundaries within the jurisdiction of the Lavale Sanitary Commission in Allegany County, and relating to the appointment of the members of the said Commission.

This Bill seeks to repeal and re-enact sections of Chapter 13 of the Acts of the Special Session of 1947, which created the Lavale Sanitary Commission in Allegany County.

Under the provisions of Chapter 13 the boundaries of the Sanitary District were specifically described. A successful referendum on the law was held, and thereafter the validity of the law was upheld in the courts.

Under the terms of this Bill specific boundaries of the district are repealed and the limits thereof are defined as consisting "of all that part of Allegany County, Maryland, generally known as 'La Vale', as defined by resolutions as drafted, and amended from time to time, by the Board of County Commissioners of Allegany County". The Board of County Commissioners have authority to change the boundaries from time to time.

The Bill does not set up any reasonably definite standard by which the boundaries of the district could be established, and with authority to thereafter change such boundaries as might be established, the right of the residents of the district, established under Chapter 13, is obviously frustrated.

For these reasons the Bill has been vetoed.
