

the right to an appeal to the Commission within 30 days from the date of such discharge and at a stated meeting. The Commission may re-instate the said employee to his or her position or affirm the action of its officer and its decision shall be final. The General Counsel shall not be required to maintain an office in the office of the Commission.

512. Whenever the plans and specifications for water supply, sewerage or drainage systems for any District shall have been completed and the Commission shall have decided after opportunity for a hearing has been given to proceed with the construction thereof, it shall advertise by one newspaper published in Anne Arundel County and such newspapers and technical press as it may deem proper for bids for the construction of said system or systems, in part or as a whole, as in its judgment may appear advisable. The Contract shall be let to the lowest responsible bidder, or the Commission may reject any and all bids, and, if in its discretion the prices quoted are unreasonable or unbalanced it may re-advertise the work or any part of it or may do any part or all of the work by day labor; provided that at any time the Commission may, in its discretion, expend by day labor for construction work an amount not exceeding Five Thousand Dollars without advertising or receiving bids. All such contracts shall be protected by such bonds, penalties and conditions as the Commission may require, all of which shall be enforced in any Court having jurisdiction.

536. When said Commission files its budget with the County Commissioners of Anne Arundel County and a hearing on said budget has been allowed the Sanitary Commission, the said County Commissioners shall have the power to amend, alter or reduce said budget in their discretion.

516 (q). For the purpose of paying the interest and providing the Sinking Fund for the Bonds issued by the Commission as in this sub-title provided, for the water supply, sewerage or drainage systems to be constructed, purchased or established under this sub-title, the said Commission is hereby empowered and directed to establish a plan for financing new construction or connections not self-supporting which shall be in addition to annual assessments to be fixed on property abutting upon said water and/or sewer mains and drainage systems, where the plans and estimates fail to show that the proposed new construction or extensions will be financially self-supporting within a reasonable time after completion.
