Measurement in the case of each fish shall be from the tip of the nose to the end of the caudal fin or tail.

(b) Any of the above species of fish caught and returned alive to the waters shall not be considered for the purpose of this section as having been either taken, caught, or had in possession.

(c) It shall be unlawful to fish for, take, catch, or kill any species of fish from any stream or non-tidal waters which have been stocked with trout except during the legal open season for the taking of trout. Regardless of the manner in which Catoctin Creek in Frederick County is stocked with trout, it shall not be considered a trout stream from its mouth to Ellerton Bridge and fishing for bass shall be allowed during the regular bass season in this stream from its mouth to Ellerton Bridge.

(d) It shall be unlawful to sell, offer for sale or purchase at any time any brook, brown or rainbow trout that are caught in any non-tidal waters of this State except as otherwise provided for in this Article.

99. (Gigs and Bait Fish Nets.) It shall be unlawful for any person to use or attempt to use a gig or gig iron or a
