

the fine so imposed, shall stand committed to jail until the fine and costs have been paid, but such imprisonment shall not exceed sixty (60) days for any one offense and in addition to such fine or fines all spotlights, artificial lights, or battery or other contrivance or devices to spot or locate or hunt for said game, and all firearms found in or on such vehicles or in possession of such persons so convicted, or used in violation of the provisions of this section, shall be confiscated and shall be disposed of by the Director as he may deem advisable for the best interest of the State.

SEC. 2. *And be it further enacted*, That this Act shall take effect June 1, 1949.

Approved April 22, 1949.

CHAPTER 202

(Senate Bill 60)

AN ACT to repeal and re-enact, with amendments, Section 2 of Article 99 of the Annotated Code of Maryland (1947 Supplement), title "Birds, Game and Inland Water Fish," sub-title "Definitions," and Section 64(b) of said Article, sub-title "Beavers, Muskrat and Otter," to change said sub-title to "Fur Bearers," and to add two new sections to said Article, to be known as Sections 64A and 64B, to follow immediately after Section 64, relating to definitions, providing for licenses for fur dealers, taxidermists and fur tanners and relating to the possession, transportation, sale or purchase of certain furs.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That Section 2 of Article 99 of the Annotated Code of Maryland (1947 Supplement), title "Birds, Game and Inland Water Fish," sub-title "Definitions," be and it is hereby repealed and re-enacted, with amendments, to read as follows:

2. Whenever used in this Article, unless a contrary intention is evident from the context, the word "person" shall include individuals, co-partnerships, associations, and corporations; the singular shall include the plural, and the masculine, the feminine and neuter.

The term "game birds" shall include: (a) the anatidae, commonly known as swan, geese, brant, river and sea ducks; (b) the pygopodes, commonly known as loons and grebes
