

SEC. 8. *And be it further enacted,* That for every sewer connection, as provided under Section 7, said Commissioners of Betterton shall make such charge as they shall determine to be reasonable, which charge shall be uniform throughout the Town of Betterton, subject, however, to revision annually by the Commissioners of Betterton. Said charge shall be paid by all property owners at the office of the Commissioners of Betterton before the actual connection of any pipe on private property is made; or any owner so desiring may pay one-fourth of said charge, in which case the balance shall be paid in three equal annual installments, such deferred payments to bear interest at the rate of six per centum per annum, and to be payable at the same time, in the same manner, and subject to the same penalties and methods of collection as the sewerage rental charges provided in Section 6. The revenue, above actual cost, derived from such charges, shall be applied by the Commissioners of Betterton to the payment of bonded debt as hereinafter provided.

SEC. 9. *And be it further enacted,* That all sums collected by the Commissioners of Betterton for sewerage rental charges levied against property for sewage disposal construction, and all sums collected for sewer connections, shall be set aside in the separate fund to be known and designated as the "Betterton Sewer Bond Fund" from which fund interest shall be paid on all outstanding bonds. The Commissioners of Betterton, in order to determine the amount necessary to be levied under Section 3 shall deduct the amount of their credit in said "Betterton Sewer Bond Fund" from the whole amount necessary to be raised in any one year for interest on and principal of outstanding bonds, and the balance remaining to be raised shall be the amount to be collected by taxation as provided under Section 3.

SEC. 10. *And be it further enacted,* That for the purpose of providing funds for maintaining, repairing, and operating the system of sewage disposal, including overhead expenses and property depreciation allowance, said Commissioners of Betterton shall be empowered and directed to make such service rates as they may deem necessary, chargeable against all properties having a connection with any sewer main under the Town of Betterton. Said rates shall be uniform throughout the Town of Betterton, but subject to change from time to time, as the Commissioners of Betterton may deem advisable and fair. Bills for the amount of the charges as specified may be sent quarterly
