

levy annually such tax on the assessable property of Dorchester County as shall be necessary to pay the interest on any such notes, certificates and/or bonds that may be issued and outstanding hereunder, as the same shall become due and payable, and also, in addition thereto, the said County Commissioners shall levy annually a tax upon the assessable property of said County sufficient to pay and retire all of said bonds as they shall mature, and the said County Commissioners hereby are empowered to utilize for the payment of any such interest or principal any part or all of any State Building Incentive Funds which may be allocated to said Dorchester County.

SEC. 8. *And be it further enacted*, That of new school buildings to be erected in accordance with the provisions of this Act as hereinbefore set forth, one of such new schools shall be a new high school, to be designated as the Northern Dorchester County High School, although not necessarily to be given such name, shall be erected upon a site to be procured at, or within a radius of one mile of Shiloh Corner in said County, and another of such new schools, to be designated as the Southern Dorchester County High School, although not necessarily to be given such name, shall be erected upon a site to be procured at, or within a radius of two miles of, the fork in the roads leading from Cambridge to Hooper's Island and from Cambridge to Crapo; and another of such new high schools shall be a high school to replace the F. D. St. Clair High School at Cambridge; and another of such new schools shall be erected to serve the high school needs in connection with the present Cambridge High School, thus giving added facilities for high school, junior high school, and elementary school programs, and such other needed repairs and facilities for other schools shall be provided as the Board of Education of Dorchester County and the County Commissioners of Dorchester County may direct.

SEC. 9. *And be it further enacted*, That this Act is hereby declared to be an emergency measure and necessary for the immediate preservation of the public health and safety, and having been passed by a yea and nay vote supported by three-fifths of all the members elected to each of the two Houses of the General Assembly of Maryland, the same shall take effect from the date of its passage.

Approved April 22, 1949.
