

office in the City of Baltimore or vicinity where it shall hold meetings at regular intervals. Three members shall constitute a quorum and no action shall be taken by less than the majority of the Commission. Special meetings may be called as may be provided by the rules and regulations of the Commission. In addition to the regular meetings held at the Commission's established offices, whenever the convenience of the public or the interested parties may be promoted, or delay or expense may be obviated, it may hold meetings, hearings, or proceedings at any other place designated by it. The Commission shall report to the Governor, on or about December 1st each year, in writing. Such reports shall contain a summary of its proceedings during the preceding fiscal year, a detailed and itemized statement of all revenue and of all expenditures made by or in behalf of the Commission, such other information as it may deem necessary or useful, and any other information which may be required by the Governor. The fiscal year of the Commission shall conform to the fiscal year of the State.

(e) (Offices and Expenses.) Suitable offices and office equipment shall be provided by the State for the Commission in Baltimore City or vicinity, and it may maintain offices in any other part of the State that it may designate, and may incur the necessary expenses for office furniture, stationery, printing, incidental expenses, and other expenses necessary for the administration of this Article as shall be provided in the State budget.

4. (Development of Aeronautics—General.) The Commission shall have general supervision over aeronautics within this State. It is empowered and directed to encourage, foster, and assist in the development of aeronautics in this State and to encourage the establishment of airports and air navigation facilities. It shall cooperate with and assist the federal government, municipalities of this State, and other persons, in the development of aeronautics, and shall seek to coordinate the aeronautical activities of these bodies and persons. Municipalities are authorized to cooperate with the Commission in the development of aeronautics and aeronautics facilities in this State.

5. (Legislation, Intervention.) The Commission may:

(a) recommend necessary legislation to advance the interests of the State in aeronautics,

(b) represent the State in aeronautical matters before federal agencies and other State agencies;
