

acquire any such airport, landing field or other facilities for the use of any type of aircraft and sell the same to such common carrier, it may borrow not exceeding the amount of the purchase price under said contract and use said moneys for acquisition of said property by purchase, condemnation or otherwise.

14. (Municipal Airports.)

(a) (Technical Services of the Commission.) The Commission may, in so far as it is reasonably possible, make available its engineering and other technical services with or without charge to any municipality or person desiring them in connection with planning, acquisition, construction, improvements, maintenance or operation of airports or air navigation facilities.

(b) (State Financial Assistance.) The Commission may render financial assistance by grant or loan or both to any municipality or municipalities acting jointly, in the planning, acquisition, construction, improvement, maintenance, or operation of an airport owned or controlled, or to be owned or controlled by such municipality or municipalities, out of the appropriations made by the Legislature for such purposes. Such financial assistance may be furnished in connection with federal or other financial aid for the same purposes.

(c) (Federal Aid.) The Commission is authorized to act as agent of any municipality or municipalities acting jointly, in accepting, receiving, receipting for and disbursing federal moneys, and other moneys public or private, made available to finance, in whole or in part, the planning, acquisition, construction, improvement, or maintenance or operation of a municipal airport or air navigation facility; to act as the agent of such municipality or municipalities in contracting for and supervising such planning, acquisition, construction, improvement, maintenance, or operation; and all municipalities are authorized to designate the Commission as their agent for the foregoing purposes. The Commission, as principal on behalf of the State, or any municipality, may enter into any contracts, with each other, with the United States, or with any person, which may be required in connection with a grant or loan of federal moneys for municipal airport or air navigation facility purposes. All federal moneys accepted under this section shall be accepted and transferred or expended by the Commission upon such terms and conditions as are prescribed by the United States. All moneys received by the Commission pursuant to this section shall be deposited in the State treasury, and, unless otherwise prescribed by the au-
