ANNAPOLIS, Md., April 4, 1958.

Honorable John C. Luber
Speaker of the House of Delegates
State House
Annapolis, Maryland

Dear Mr. Speaker:

In 1954, I approved legislation under which evidence of continuing financial responsibility is permanently required of automobile operators as a condition precedent to restoration and continuance of their operating privileges in the following situations:

(a) The license has been revoked or suspended under the mandatory provisions of the motor vehicle law for such violations as manslaughter, drunken driving, failing to stop after an accident, and operating on a revoked license.
