

CHAP. 10.

whole line; and that the line thus surveyed, located and marked, shall be forever the proper divisional line between Baltimore and Carroll counties.

If commissioners disagree

SEC. 3. *And be it enacted*, That the aforesaid commissioners shall proceed to the discharge of their duty as soon as they conveniently can, and in case of disagreement they may appoint among themselves one commissioner from an adjoining county; that before they proceed to business they shall severally make oath or affirmation that they will, without favor or prejudice, to the best of their skill and judgment, run and establish the north-east line between Baltimore and Carroll counties as nearly as may be, agreeably to the intent and meaning of the act passed December session, eighteen hundred and thirty-five, chapter two hundred and fifty-six, and confirmed at the next succeeding session, chapter nineteen; that they shall have full power and authority to contract with and employ a surveyor, chain carriers and other proper and necessary assistants for the performance of their duty; and that they or a majority of them, after having carefully run out, marked and located the said dividing line as aforesaid described, shall cause two plots to be made out, and also two certificates under their hands and seals, specifying the courses, distances and marks fixed and made by them, to designate said line, one of each of which shall be returned to the clerk of Baltimore county court, and the other to the clerk of Carroll county court, to be recorded in the land record books of said counties respectively.
