

plement, to construct a rail road from their mines or works, to some intermediate point or points between the basin of the Chesapeake and Ohio Canal at Cumberland and their works or mines aforesaid, should circumstances render the extension of their road to the basin of the canal at Cumberland unnecessary, as will probably be the case, if the Baltimore and Ohio rail road company, or the said canal company, extend their works up the valley of Jennings' run, to give additional facilities to the coal and iron trade—therefore,

SEC. 2. *Be it further enacted*, That it shall not be necessary for the said Maryland and New York Iron and Coal Company, to construct their said rail road or any lateral way from their said works or mines to the basin of the said canal at Cumberland, but that the same may be stopped at any intermediate point, at the discretion of the company, and that it shall be lawful to charge the same rates of toll for the transportation of persons and property upon such road when constructed, as are authorized by the first section hereof; *provided*, that the said rail road be constructed so as to intersect with the extension of the Baltimore and Ohio rail road, or the Chesapeake and Ohio canal, or the improved navigation of Wills' creek, by canal or otherwise.

SEC. 3. *And be it further enacted*, That a quorum for the transaction of business of the said Maryland and New York Iron and Coal Company, shall hereafter consist of the President and any two Directors, as required by the fourth section of the act to which this is a supplement.

#### CHAPTER 28.

*A supplement to an act entitled, An act to incorporate a Company to make a Turnpike Road from the Square, in the Town of Boonsborough, in Washington County, to Swearingen's Ferry, on the Potomac River.*
