CHAPTER 301.

Passed March 9, 1842 *An act relating to Schools in the middle and lower Election Districts of Caroline County.*

Commissioners to locate

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That Robert T. Keene, John Stack and William R. Andrew, be and they are hereby appointed commissioners, to locate a school some where on the road leading from Fowling creek to Potters landing in Caroline county, if they in their judgments should think that the establishment of such a school is needed, and said commissioners if they shall determine to establish such a school, and after they have fixed upon a scite for a school house, shall report the result of their labors to the orphans court of the county and said school when established, shall be considered one of the located schools of the lower election district of said county, and shall be entitled to its proportion of the different school funds, of said lower district as if said school had been originally located with the other schools of the said election district.

Citizens to select five trustees

SEC. 2. *And be it enacted,* That after the said commissioners shall have located said school, the citizens in the immediate neighborhood of said location, shall select from among themselves five trustees, who shall have power to contract for the building of a school house, on the scite fixed upon by said commissioners and after the completion of said school house, the orphans court of said county shall direct to be paid out of the surplus school funds belonging to said election district, one hundred dollars to the trustees of said district to be by them applied towards the payment of the cost of building said school house, and said trustees shall have charge of the government of said school when established until the election of their successors.

Orphans court to pay annually

SEC. 3. *And be it enacted,* That the orphans court of said county shall annually pay, commencing with the present year, to the trustees of school number six, of the middle election district of said county, as much of the school funds of said election district as the average amount paid to the other located schools of said election district as though said school were in regular operation as required by the laws which regulate the located schools of said county.
