

CHAP 40. the same to the purpose for which it was received and finally accounted therefor with the Orphan's Court of said county, shall forthwith account therefor to the said court: and at the same time pay over to the said court the balance thereof, if any, which shall be remaining in the hands of such person; and every such balance shall, by the said court be appropriated to that election district towards which it was originally designed to be applied, and shall be subject to the drafts of the school commissioners of such district; and in like manner, every portion whatever of school funds remaining in the hands of, or under the control of said Orphan's Court, heretofore appropriated, or that was designed so to be, towards any election district in said county, but which has not yet been distributed and applied in the said district according to law, shall be subject to the drafts of the school commissioners of such district; and it is hereby made to be the duty of the Judges of said Orphan's Court to give notice, without delay, to the school commissioners of each district, of the sums or amount of money, from time to time held by the said court, subject to be drawn for by the said school commissioners, and the said balances and arrears as aforesaid, may be distributed by the said commissioners, by means of their drafts as aforesaid, with reference to services performed by teachers, either before or since the last day of July hereinbefore mentioned, or partly in each way, as to the said commissioners may seem proper.

Distribution directed

Notice to be given of amount to be drawn

Case of vacancies of S. Commissioners

Sec. 7. *And be it enacted,* That in case of the death or resignation of any school commissioner, or of his refusal or neglect to perform his duty as such, or in case of his removal out of the district for which he was elected or chosen, the remaining school commissioners for the same district, or a majority of them, shall choose some other person, resident in such district, to fill his place; and shall give notice to the Orphan's Court of the choice so made.

Teacher defined

Sec. 8. *And be it enacted,* That whenever the word teacher occurs or is meant, in this act or in the act to which this is a supplement, it shall be understood and considered as applicable to both male and female teachers; and where a teacher shall have kept school in more than one district during the time or within the
