

INDEX TO THE LAWS.

	<i>Chap.</i>	<i>Sec.</i>
TOBACCO ,—Scales and weights to be provided &c.	64	1
In case of sickness &c. a deputy inspector authorised.	"	2
Repair of warehouses authorised, and payment therefor from tobacco fund,	"	2
If that fund be inadequate, then from the public treasury.	"	"
In which case the legislature, at their next session, shall impose an additional tax on outage.	"	3
The provisions of this, nor of the act to which this is a supplement, shall not apply to, inspected prior to February 1839.	"	4
Charge for outage, portage &c. at said warehouses, until 1st April 1840, shall be as heretofore, \$1 per hog-head; after that period it shall be only fifty cents,	"	5
No inspector of, under a penalty of \$100 for every hog-head, shall during his continuance in office buy or deal in, or in any way meddle with or busey himself in procuring to be bought, sold or consigned, any, except his own proper crop, &c.	"	6
If the net proceeds paid into the treasury in virtue of the act to which this is a supplement, be inadequate to pay the salaries of the inspectors, then the said proceeds shall be equally divided between the said inspectors,	"	7
But if in any subsequent year the revenue of said warehouses be adequate, the arrearages shall be paid therefrom by the treasurer	"	"
All regulations relating to warehouses and the inspection of, in the several counties, and in the city of Baltimore, shall be applied to and obligatory on those of this county, except so far as excepted by this act and the act to which it is a supplement,	"	8
The inspectors shall account annually, (instead of quarterly,) under oath,
