

## CHAP. 12.

the location and construction of a rail road under the provisions of the act to Incorporate the George's Creek Mining Company, passed at December Session, in the year of eighteen hundred and thirty five, chapter three hundred and twenty eight, and the several supplements thereto.

Dimensions,  
toll &c.

SEC. 2. *And be it enacted*, That the said turnpike road shall not exceed the width of forty five feet, and that after the construction thereof, shall have the power of erecting a toll gate thereon, and exacting payment of tolls for the use thereof, but such tolls shall not exceed the rates of toll, which shall or may be prescribed from time to time, for the use of the national turnpike road, lying within the limits of this State, and may from time to time, be reduced, at the discretion of the county court, Allegany county; *provided nevertheless*, that no reduction shall be made, so as to reduce the nett receipts from said road, below the sum which shall be necessary for its repair and improvement.

Case of allow-  
ing to decay

SEC. 3. *And be it enacted*, That if at any time after the completion of said road, the same shall be suffered to decay or go out of repair, the President or any one Director thereof, who may be within the limits of Allegany county, or the chief Superintendant or Agent of the said company, residing at their works, in Allegany county, shall, and may be liable to indictment therefor, in the county court of Allegany county, and upon conviction thereof, shall be liable to such fine not exceeding one hundred dollars, as the said county court shall think reasonable, and after a third conviction for like offences, the said county court, shall and may, in their discretion, adjudge the said road to be forfeited to said county.
