Dear Mr. President:

I am returning herewith Senate Bill No. 97 without my approval. The provision of this bill for the disclosure of a principal for whom an agent deals would cause additional expense, might to some extent lead to the disclosure of trade secrets, and is an unnecessary invasion of the rights and practices of private enterprise.

While it has been represented to me that the measure would attempt to restrict speculative buying of tobacco, the better considered opinion is that it would tend to hamper and impair the market for Maryland tobacco.

Since our common interest is to protect this important Maryland industry, I have disapproved the measure.

Respectfully,

THEODORE R. MCKELDIN,
