

ber of the Board. The Board is hereby empowered to adopt all necessary rules and regulations for the conduct of its business, and shall hold such meetings, both regular and special, as may from time to time be deemed necessary. The Board's regular place of business shall be Towson, Baltimore County, Maryland, but both regular and special meetings of the Board may be held elsewhere, in the discretion of the Board.

367D. The Board is authorized to appoint a Director of Recreation who shall be the chief executive officer of the Board but not a member thereof, and shall, under the direction and with the approval of the Board, be charged with the general organization, administration, and supervision, of the programs of public recreation contemplated and provided for by this Act. The Director's term of office shall be for one year, but he shall be subject to reappointment by the Board. He shall be a person of such training, experience and capacity as will especially qualify him to discharge the duties of the office. He shall possess those qualifications of education, training, and experience which will assure a thorough knowledge of current theory and practice in public recreation and give promise of the administrative ability to initiate and maintain a program within the jurisdiction and under the direction of the Board.

367E. (a) The Board is authorized and empowered to consider and determine all questions of general policy relating to public Recreation for Baltimore County, and shall supervise and direct expenditure of all appropriations and funds made available to the Board from whatever source. The Board shall have power to appoint from time to time such Advisory Committees or Panels as it may see fit in the furtherance of its powers and functions herein granted.

(b) The Board shall have power and authority to initiate, adopt, direct or cause to be conducted or directed under its supervision a comprehensive program of public recreation in schools, parks or other lands or buildings, either publicly or privately owned, or other acceptable recreational facilities made available to the Board for such purposes by the County Commissioners of Baltimore County or by any other person, corporation or agency having jurisdiction over such facilities. The Board is further authorized to develop, equip, operate and maintain and issue permits for use of any of the facilities made available to and accepted by the Board for such purposes by the County Commissioners of Baltimore County or by any person, corporation or agency having jurisdiction over such facilities, and the County Commissioners of Baltimore County may transfer to the Board created hereunder, functions now performed by other organizations which may be properly per-
