

of death section of the death certificate, and shall immediately forward such certificate in the usual manner prescribed for death certificates. As soon as the cause of death is ascertainable, he shall forward to the State Board of Health or its designated agent a report of such cause of death for entry on such certificate.

(c) Each registrar or other person concerned with the execution of the vital statistics act shall promptly notify the Deputy Medical Examiner of his district of any death known to come under jurisdiction of the Department of Post-Mortem Examiners, under the regulations of the said Board of Health.

(d) The physician or medical examiner executing any certificate of death shall present it within the time limit prescribed in Sub-sections (a) and (b) of this section to the funeral director or other person authorized to make disposition of the corpse.

(e) A funeral director or other person acting as such who, pursuant to this section, obtains a certificate of death shall be required to file such certificate with the local registrar or deputy local registrar within seventy-two (72) hours after said death.

(f) No person whose duty it is to make out and sign a certificate of death shall execute more than one such certificate per death except as authorized under the provisions of this sub-title.

19. (Burial Permits, Interments, Transportation and Disinterment.)

(a) No interment of the dead body of any human being or the disposition thereof by entombment, cremation, transportation, dissection, or any other manner or form of disposition shall be made without a permit as aforesaid from the local registrar or deputy local registrar of the district where the aforesaid person died, or otherwise than in accordance with such permit.

(b) The transportation of bodies of deceased persons between districts or counties of Maryland or into or out of the State shall be under such rules and regulations as the State Board of Health shall prescribe.

(c) No sexton or person in charge of any cemetery or crematory, or other place for disposal of the dead shall inter or permit the interment or other disposition of any body unless it is accompanied by a burial permit as provided in this sub-title. Each sexton or person in charge of any burial ground shall endorse upon the permit the date of interment or other
