

County Commissioners TREASURER who shall deposit the same in a special account in the name of the County Roads Board. The said funds shall be used only for County road purposes, which shall include the payment of all salaries and expenses incidental to the operation of the County Roads Board. ALL DISBURSEMENTS FROM SAID FUNDS SHALL BE UPON WRITTEN ORDER OF THE BOARD OF COUNTY COMMISSIONERS.

(c) *The County Commissioners shall fix the salaries of the Roads Engineer, the Assistant Roads Engineer and any other assistants, but in no case shall the salary of the Roads Engineer be less than that received by a Senior Assistant Highway Engineer, Grade I, having five (5) years experience, employed under the State Roads Commission, and in no case shall the salary of the Assistant Roads Engineer be less than that received by a Senior Assistant Highway Engineer, Grade II, employed under the State Roads Commission. In addition to the salary provided, the County Roads Engineer shall receive either (1) an allowance for automobile expenses not to exceed Six Hundred Dollars (\$600.00) per year to be determined and approved by the County Commissioners, or (2) the use of an automobile to be furnished and maintained by the County Commissioners, whichever the Commissioners shall decide.*

127. (a) *On or before the first day of February of each year, the County Roads Engineer shall make a written report to the County Roads Board covering the condition of the county roads and the improvements that have been made in the twelve months ending on the 31st day of the preceding December, showing the amount and kind of material used in each Election District with a detailed statement of its cost, and the amount and cost of labor used in each District, and the amount of money expended for construction and maintenance purposes, listing each project, and showing labor, equipment, and material costs. Said report shall contain a concise statement of the amount of money expended and a short summary of the work performed, which concise statement and summary shall be published by the Roads Board for two successive weeks in one or more newspapers of general circulation in Frederick County.*

(b) *On or before the first day of October in each year said Frederick County Roads Engineer shall also prepare and submit to the Roads Board a proposed Road Construction and Maintenance Program, supplemented with plans as he may see fit, of road and bridge work, repair and construction in Frederick County for the ensuing fiscal road year, showing as closely as may be the available funds, and how they are to be*
