

*expended and on what roads and bridges, naming them, and the character in detail of the work involved, and the estimated cost of each construction project, and what proportion of the road money is for new construction, and what proportion is for maintenance and repairs, and what proportion is set apart and reserved for salaries, incidentals and contingencies, in detail. Notice of the filing of said report embracing said comprehensive program of road construction and maintenance for the ensuing fiscal year shall be published by the Roads Board in such newspaper or newspapers REGULARLY PUBLISHED IN FREDERICK COUNTY as they may see fit, the first publication within one week of the filing of said report. and containing a notice that said Roads Board will hold not less than three meetings, naming the time and place thereof, during said month of October for the purpose of receiving and hearing recommendations, suggestions or objections of any taxpayer of Frederick County in regard to any matter or thing contained in said program. The County Commissioners at the conclusion of the last of said meetings and on SAID PUBLICATION SHALL ALSO INDICATE THAT DURING THE MONTH OF OCTOBER THE PROGRAM WILL BE AVAILABLE AT THE OFFICE OF THE ROADS BOARD FOR REVIEW BY ANY INTERESTED PERSONS. ON or before the first day of November, thereafter, THE COUNTY COMMISSIONERS shall have power to change, alter or modify said comprehensive program of said Roads Board, but said comprehensive program as submitted or as changed, altered or modified by said County Commissioners on or before said first day of November, shall be binding upon said County Roads Board during the ensuing fiscal road year; provided, however, that if any necessary right of way cannot be obtained, the County Roads Board shall have the power to provide for an alternative route or program, subject to the approval of the County Commissioners. It shall be the duty of said Roads Engineer to see that said program is carried out in every particular, in so far as funds are available, and he shall have power to employ and discharge labor as necessary, subject to the approval of the County Commissioners.*

127A. (a) *The said Engineer shall have authority to make such repairs as are necessary to remedy any serious defect in the existing system at any time, but the said Engineer shall have the approval of the County Commissioners before making any new construction of county roads.*

(b) *The County Roads Board, SUBJECT TO THE APPROVAL OF THE COUNTY COMMISSIONERS, is hereby authorized to buy such equipment as is necessary for the construction and maintenance of roads and to buy and operate*
