

food products, shall be governed by the following rules and regulations which are hereby made the law of this State:

(a) The floors, side-walls, ceilings, furniture, receptacles, implements and machinery of every establishment or place where food is manufactured, packed, stored, sold or distributed, and all cars, trucks, and vehicles used in the transportation of food products, shall at all times be kept in a clean and sanitary condition. Unclean and unsanitary conditions shall be deemed to exist if the food in the process of manufacture, preparation, packing, storing, sale, distribution or transportation, is not protected as far as practicable from flies, filth and all foreign or injurious contamination; or if the refuse, dirt and waste products subject to decomposition and fermentation incident to the manufacture, preparation, packing, storing, selling, distribution and transportation of food, are not removed daily; or if all the trucks, trays, boxes, baskets and other receptacles, chutes, platforms, racks, tables, shelves and knives, saws, cleavers and other utensils and other machinery used in moving, handling, cutting, chopping, mixing, canning, *freezing*, and all processes, are not at all times kept clean, or if the clothing and body of operatives, employees, clerks or other persons therein employed, are not kept as clean as the nature of their employment will permit.

(b) The side-walls and ceilings [of every bakery, confectionery, creamery, cheese factory, ice cream plant, milk plant and distributing dairy, hotel and restaurant kitchen, shall be kept clean;] and the floor of every building, room, basement, cellar or other place occupied or used for the preparation, manufacture, packing, *canning*, *freezing*, storing, selling or distribution of food must be kept clean.

(c) Every building, room, basement, cellar or other place occupied or used for the preparation, manufacture, packing, *freezing*, *canning*, sale or distributing of food, shall have convenient toilet or toilet rooms which shall be kept separate or partitioned from the room or rooms where the process or production, manufacture, packing, *canning*, *freezing*, selling or distribution is conducted, and the floor and all parts of such toilet room shall be kept clean.

(d) No person or persons shall sleep in any work room of a bake shop, creamery, cheese factory, milk plant or distributing dairy, ice cream plant or *other type of food processing plant*, or in the kitchen, dining room or food storage room of any hotel, restaurant or boarding house.

(e) No employer shall knowingly require, permit or suffer any person to work, nor shall any person knowingly
