

containers in which they are placed, before such containers are sealed, *closed* or capped. Clean cuts, which are not infected, shall be covered with rubber cots securely fastened.

205. Any person, firm or corporation who violates any of the provisions of this sub-title, or refuses, neglects or fails to comply with the provisions and requirements hereof, or fails to comply with any lawful order or requirements of said Board of Health duly made in writing as herein provided, shall be deemed guilty of a misdemeanor and upon conviction thereof, shall, for the first offense, be fined not [more than fifty dollars; for the second offense not more than one hundred dollars; and for the third offense not more than three hundred dollars.] *less than one hundred dollars nor more than two hundred and fifty dollars; for the second offense, not less than two hundred and fifty dollars nor more than five hundred dollars; and for the third and subsequent offenses, not less than five hundred dollars nor more than one thousand dollars or one year's imprisonment, or both.*

206. The State Board of Health of Maryland, its agents and servants, are hereby authorized and empowered to enter at reasonable hours the premises of any establishment in this State, or into any room in any building in this State engaged in any business herein set forth, for the purpose of inspecting and enforcing the provisions of this sub-title; and any person, firm or corporation engaged in the business aforesaid refusing access to the said State Board of Health of Maryland, its officers and agents, or in any way interfering with them in the exercise of their duties, shall be guilty of a misdemeanor and upon conviction thereof, shall be fined in the sum not exceeding [one] *five hundred dollars for each offense.*

208. No person, firm or corporation shall conduct or operate a cannery without first obtaining a license from the State Board of Health, said license [shall run for one year from the date of its issue] *to expire on the last day of November of each year, unless sooner revoked as herein provided, [and shall be renewed annually thereafter] and a new license shall be applied for each year.* A license may be denied if the establishment of the applicant is known to be in an insanitary condition or if the water supply is known to be dangerously polluted. [After January 1, 1932] No new cannery shall be licensed unless so located or constructed that the waste liquids, drainage and inedible products can be readily removed from the premises and imme-
