Dear Mr. Speaker:

I return herewith without my approval H. B. 415.

This Bill amends the liquor laws to permit the licensing of yacht clubs under certain conditions, and is intended to apply to only one place located in the Eighth District of Anne Arundel County.

The Bill is designed to accomplish the purpose of a previous measure which, on the advice of the Attorney General, I vetoed.

Respectfully,

THEODORE R. MCKELDIN,

Dear Mr. Speaker:

House Bill 668, which relates to the definition of restaurant, and the sale of alcoholic beverages on New Year's Day in Prince George's County was submitted to the Hon. Hall Hammond, the Attorney General, for his advice as to its form and legal sufficiency. Mr. Hammond has advised as follows:

"House Bill 668 changes the provision of the Code, Article 2B, 'Alcoholic Beverages,' which defines a Restaurant so that in Prince George's County, instead of 'restaurant' meaning an establishment wherein the average daily receipts from the sale of food exceed the average daily receipts from the sale of alcoholic beverages, the word 'restaurant' would mean any establishment equipped with a dining room and complying with the provisions of the County Health Department."

Mr. Hammond and I agree that the wisdom of the change in the law applicable to Prince George's County is doubtful.

Therefore, I am returning this Bill without my approval.

Respectfully,

THEODORE R. MCKELDIN,

TRMcK/o'c

Governor
