

notated Code of Maryland (1939 Edition) title "Crimes and Punishments", sub-title "Drunkenness and Disorderly Conduct". However the Bill was subsequently amended in the course of its passage also to include Harford and Washington Counties, although no reference is made to said counties in the title of the Bill. The title is therefore misleading and I am reluctantly constrained to return the Bill without my approval.

Dear Mr. Speaker:

House Bill 696, which would extend the boundaries of Fairmount Heights, is being returned without my approval, for the following reasons:

After this Bill, which was introduced by the Prince George's County Delegation, was passed by the General Assembly, Mr. Albert R. Hassall, Chairman of the Delegation, and the State Senator, requested that I not approve the measure, since it did not contain a provision for a referendum.

Therefore, I am returning the Bill without my approval.

Respectfully,

THEODORE R. MCKELDIN,

Dear Mr. Speaker:

On the advice of the Attorney General that H.B. 346 is probably unconstitutional for a number of reasons, I am returning said Bill herewith without my approval.
