

INSURANCE

May 7, 1951

Hon. John C. Luber
Speaker of the House of Delegates
State House
Annapolis, Maryland

Dear Mr. Speaker:

House Bill No. 95 would repeal Section 99 being Article 48A of the Annotated Code of Maryland (1939 Edition) of the Insurance Laws requiring policies to be stamped "Authorized to do business in Maryland". This Section of the law is an integral part of the penalty provisions of Section 100 relating to unauthorized companies. The provisions of Section 99 have existed since 1922, and if unnecessary or unduly onerous, such consideration may be entertained in connection with the necessity and desirability of change in the language of Section 100 of Article 48A.

I am, therefore, returning the Bill herewith without my approval.

Respectfully,

THEODORE R. MCKELDIN,
Governor

Hon. John C. Luber
Speaker of the House of Delegates

Dear Mr. Speaker:

I am returning herewith, without my approval, House Bill 117, for the following reasons:

This Bill which would provide for the extension of the term of the incumbent actuary after attaining the age of retirement if, in the judgment of the Insurance Commissioner such action is deemed necessary for the efficient functioning of the Department, was intended for the benefit of the late Mr. Calvert F. Stein.

In the interim between the time that the Bill passed the General Assembly, and it came before me for approval, Mr. Calvert F. Stein died and, therefore, there would be no useful purpose served by enacting this Bill into law.

Respectfully,

THEODORE R. MCKELDIN,
Governor
