

*33G. In all buildings so erected provision shall be made for disposing of the waste, sewage and drainage therefrom in accordance with the plans furnished as required by this Act, and such arrangements shall be installed under the supervision of the Buildings Engineer.*

**SEC. 2.** *And be it further enacted,* That if any provision of this Act, or the application thereof to any person or circumstance, is held invalid, the remainder of this Act and the application of such provisions to other persons and circumstances shall not be affected thereby. If any provision, clause, sentence, or section of this Act shall be declared to be invalid or in violation of any provision of the State or Federal Constitution, the remainder of said Act shall stand and be effective notwithstanding.

**SEC. 3.** *And be it further enacted,* That this Act is hereby declared to be an emergency act and necessary for the immediate preservation of the public health and safety and having been passed by a ye and nay vote supported by three-fifths of all the members elected to each of the two Houses of the General Assembly, the same shall take effect from the date of its passage.

Approved March 14, 1951.
