

shall reconsider it, and if it be not repealed, the mayor and town council shall submit it to a vote of the duly qualified voters of said town at the next election; provided, however, that if the next election shall occur more than ninety days after the date of passage of said ordinance, the mayor and town council shall call a special election for the purpose of deciding whether said ordinance shall or shall not become a law, and the same shall become operative or repealed by the majority of the votes cast in this election.

POWERS

204. The mayor and town council shall have and are hereby granted authority to exercise all powers relating to municipal affairs and to pass ordinances and take such measures as they may deem necessary for the good government, health, morals, safety and improvement of the town, and to exercise the police power of the town. No enumerations of power in this or any law shall be deemed to restrict the general grant of authority hereby given, unless expressly so stated herein or by such law. The following shall be deemed a part of the power hereby granted to the mayor and town council and in addition to the above general grant of powers:

(A) To levy, assess and collect taxes and to borrow money on the credit of the town, and to levy and collect special assessments for benefits obtained, as hereinafter provided for by this Charter.

(B) To pass such ordinances as may be necessary to prevent and remove nuisances and obstructions from the streets, sidewalks, lanes and alleys of the town and from properties adjoining same; and to provide means for the collection and removal of garbage, trash, rubbish and other refuse matter within the limits of the town.

(C) To pass such ordinances as may be necessary to restrain, and punish all nuisances, disorders, annoyances and disorderly conduct within the town, and for preventing swine, cattle, fowls, dogs or other animals from running at large on the streets.

(D) To regulate the speed, weight, and operation of motorcycles, motor bikes, motor scooters, buses, trucks, motor vehicles and locomotives within the town limits.

(E) To have authority to order surveys made by a competent engineer, where deemed necessary, and to provide by ordinance for the survey, grading, paving, repairing, draining, laying out, extending, opening, closing,
