

*the establishment and operation in this State of a plant for distilling brandy, rum, whiskey, alcohol and neutral spirits and the sale and delivery of such alcoholic beverages in bulk to persons authorized in this State to acquire the same, and to sell and deliver such alcoholic beverages to persons located outside the State of Maryland. Such a license shall be obtained for each trade name and for each distillery in this State. A distiller may manufacture alcoholic beverages in the name of another person or under a trade name, provided a distillery license has been issued to such other person or under such trade name, as the case may be. The holder of such a license may acquire bulk alcoholic beverages from the holder of a distillery, rectifying, or winery license in this State or from the holder of a Non-Resident Dealer's Permit.*

*(c) Rectifying License. A Class 2 Manufacturer's License shall be designated as a Rectifying License and shall authorize the establishment and operation in the State of Maryland of a plant for rectifying, blending and bottling alcoholic beverages and the sale and delivery of alcoholic beverages to a holder of distillery, rectifying, or Class 1 or 2 wholesaler's license, or to permit holders authorized to acquire such alcoholic beverages and to persons outside the State of Maryland. Such a licensee may acquire alcoholic beverages from the holder of a distillery, rectifying, winery, or Class 1 or 2 wholesaler's license in this State or from the holder of a Non-Resident Dealer's Permit. A rectifier may rectify, blend, bottle and store alcoholic beverages for another person or under another trade name if a rectifying license has been issued in the name of such person or under such trade name, as the case may be.*

*(d) Winery License. A Class 3 Manufacturer's License shall be designated as a Winery License and shall entitle the holder to establish and operate in this State a plant for fermenting and bottling wine at the location therein described, to import bulk wine from the holder of a Non-Resident Dealer's Permit, and to sell and deliver wine to any wholesale licensee or permit holder in this State, or person outside of this State authorized to acquire same.*

*(e) Limited Winery License. A Class 4 Manufacturer's License shall be designated as a Limited Winery License and shall entitle the holder to establish and operate in this State a plant for fermenting and bottling wine made only from grapes grown in Maryland, at the location therein described and to sell and deliver such wine to any licensee or permit holder in this State, or person outside of this State, authorized to acquire same. Such a licensee shall be authorized to operate only in one location in the State.*
