

purposes by mutual consent of the institution and the State Department of Health	2,299,158	
General Fund Appropriation to Special Hospitals providing funds for long term illnesses for disbursement by the Treasury Department to the nine institutions listed in the program and performance statement for this program on transmittals from the State Department of Health. Eligibility for hospital inpatient care of individuals in the named institutions shall be determined by the local Departments of Public Welfare under policies established by the State Department of Public Welfare. Payments to special hospitals shall be at the lesser of (a) \$5.00 per day, or (b) cost per patient day, except in the case of Tuberculosis Hospitals which shall be paid the lesser of (a) the average cost in State-owned tuberculosis hospitals, or (b) cost per patient day. In the event that the Federal Government makes funds available to the State for hospitalization of the indigent any part of the appropriations made may be used for matching purposes by mutual consent of the institutions and the State Department of Health
