

appointment is hereinafter provided for, a Joint Commission to study passenger carrier facilities and services in the Washington metropolitan area. The Speaker of the House of Delegates of Maryland shall appoint one of its members, the President of the Senate shall appoint one of its members and the Public Service Commission of the State of Maryland shall appoint one of its members who shall be the Maryland representatives of this Joint Commission; and be it further

Resolved, That the Joint Commission herein provided for be requested to consider the adequacy of present passenger facilities and services in the Washington Metropolitan Area, and the rates charged for such services, and whether joint action by the State of Maryland, the District of Columbia and the Commonwealth of Virginia is necessary or desirable in connection with the regulation of passenger carrier facilities operating in such area and the provision of adequate, non-discriminatory and uniform service therein; and be it further

Resolved, That the members of this Commission make a report of their findings and recommendations to the respective bodies from which they are appointed.

Approved April 2, 1954.

No. 13

(House Joint Resolution 10)

House Joint Resolution urging the Maryland Delegation in the Congress of the United States to vigorously oppose the plan of the Federal Government to pump billions of gallons of Pennsylvania mine water into the Chesapeake Bay and requesting the United States Bureau of Mines to reconsider their action and not approve of such dumping of mine water into the Bay.

WHEREAS, The Federal Government proposes to pump billions of gallons of mine water into the Chesapeake Bay; and
