

*costs of constructing new roads as additions to the primary or secondary systems of the State Highway System, reconstructing, rehabilitating or relocating existing roads, already comprising parts of said System, the acquisition of rights of way, easements or other interests in real estate necessary to such construction or reconstruction and the preparation of surveys, plans and studies as may be necessary for such construction or reconstruction or for the effective modernization of said State Highway System. Without limiting the generality of the foregoing, said proceeds may be used to pay the costs of all or a part of a project, as such term is defined in Section 18, as amended, of this Article, the costs of all or a part of a parkway or freeway authorized by Sections 164 to 170 inclusive of this Article, and so much of the costs of any of the projects defined in Sections 108 and 143 of this Article as cannot be financed from the proceeds of bonds of the Commission payable as to principal and interest solely from tolls or other special revenues imposed and collected for the use of any such projects.*

*162E. For the payment of the principal of and the interest on the bonds issued pursuant to Section ~~164A~~ 162A of this sub-title, as such principal and interest shall become due and payable, there shall be and is hereby laid an annual tax which shall consist of the following: (a) such amounts as may be necessary of the proceeds of the excise tax on the issuance of certificates of title of motor vehicles required to be paid pursuant to the provisions of Section 28 of Article 66½ of the Annotated Code of Maryland (1951 Edition) subject to the prior deduction from said proceeds of such sums as may be needed annually to meet debt service on any outstanding and unpaid bonds issued pursuant to Section 155 of this Article; (b) such amounts as may be necessary of that portion of the Gasoline Tax Fund, created as such by Section 124, as amended, of Article 56 of the Annotated Code of Maryland (1951 Edition), and allocated to the Commission by Sections 19 and 20 of this Article, subject to the prior use and application of so much of said portion as may be necessary to make the payments provided for in Section 160 of this Article. So long as any of the bonds issued pursuant to the authority of Section 162A of this sub-title shall remain outstanding and unpaid, there shall be deposited in a sinking fund to be established by the Commission to secure the payment of the principal and interest of said bonds, annually or oftener as received, so much of the proceeds of the taxes laid under this Section as shall be necessary to maintain*
