

of any main, conduit, pipe, or other structure in the public ways of the city, shall submit plans to the council and obtain its approval. All individuals, firms, or corporations having mains, conduits, pipes, or other structures in, on, or over any public way in the City of Frostburg or Allegany County which impede the establishment, construction, or operation of any city water or sewer main shall, upon reasonable notice, remove or adjust the obstructions to the satisfaction of the council. If necessary to carry out the provisions of this section, the city may use its condemnation powers provided in Section 101 to remove the obstructions. Any violation of the provisions of this section shall be a misdemeanor.

ACQUISITION OF PROPERTY:

90. The City of Frostburg shall have the power to acquire by gift, purchase, lease, or condemnation any land, improvements, rights-of-way, sources of water, or other property of any kind or interest therein or franchise connected therewith within Allegany County or Garrett County, ~~whether used for public, quasi public, or private purposes,~~ either in fee or as an easement, for the purpose of establishing, operating, extending, or maintaining a water system, water plant, sanitary sewerage system, sewage treatment plant, storm water sewers or for the purpose of obtaining sites for new industrial development, or any other public improvement. Any condemnation proceedings under this section shall be carried on in accordance with the provisions of Section 101 of this charter, and the activities mentioned in this section shall be considered as public improvements within the meaning of Section 101 of this charter.

CONNECTIONS:

91. The City of Frostburg shall provide a connection, either free or at cost, as the council may decide, with water and sanitary sewer mains for all property abutting on any public way in which a sanitary sewer or water main is laid. When any water main or sanitary sewer is declared ready for operation, all abutting property owners after reasonable notice shall connect all fixtures with the water or sewer main. The city may require that, if it deems existing fixtures are unsatisfactory, satisfactory ones be installed and may require that all cesspools, sinkdrains, and privies be abandoned and left in such a way as not to injure public health. All wells found to be polluted or a menace
