*764S. In cases in which any person shall be found guilty of violating any ordinance of the corporation, it shall and may be lawful for the magistrate trying said cause, upon the conviction of the offender, to impose the fine prescribed by the particular ordinance under which said person was tried, and upon failure or refusal of the party convicted thereof to pay such fines and costs, to commit him to the jail of Frederick County, for the time prescribed by the said ordinance, unless he shall pay such fines and costs before the day limited in such commitment, in which case the magistrate who has directed such commitment shall issue his order to the sheriff of said county to release such person; but such commitment shall not continue for more than thirty days.*

*764T. (a) The Board of Commissioners shall have power to establish the limits and width of the streets and alleys of the said village, and remove obstructions therefrom, and may, with the consent of one-half of the owners of the property through which they may pass, open new streets, lanes or alleys. The Board of Commissioners shall have power to provide for the payment of damages and expenses of opening, widening, laying out and grading the streets, lanes and alleys in said village, by levying and assessing the same generally upon the whole of the assessable property, or especially upon the assessable property of persons benefited thereby.*

*(b) If on the opening or laying out of any new street, lane or alley, the said commissioners cannot agree with the owner of any land or property wanted for the purposes, for the purchase, use or occupation of the same, they may institute condemnation proceedings as provided in the Public General Laws of Maryland and such proceedings shall be governed in all respects by the Public General Laws of Maryland.*

*764U. The Board of Commissioners shall have full power and authority to designate the line, width and location of all sidewalks and gutters within the corporate limits of the Town of Thurmont and to grade and pave the same, and compel parties on streets already graded within the corporate limits of said town to pave such sidewalks or gutters, and shall have full authority to designate the material with which said sidewalks or gutters, including curbing, are*
