

of the State or of any sub-division thereof (except the several courts) which is in any way interested in or concerned with traffic accidents, shall report to the said **[Statistical]** *Central Accident Records* Bureau all such accidents of which he receives notice, within forty-eight (48) hours of the receipt of such notice. Such reports shall be made upon a standard form to be supplied by the Superintendent of State Police; except that a special form shall be supplied for the Department of Post Mortem Examiners by said Superintendent.

44. Said **[Statistical]** *Central Accident Records* Bureau shall analyze such reports and prepare statistical tables or charts based thereon and shall summarize its findings each month in written reports which shall be released to the press and also sent to every reporting agency, and to any other agency of the State or sub-division thereof which applies therefor. Said monthly report of the Bureau shall include statistics showing the number of traffic accidents resulting in death, personal injury, or property damage, and the causes of and circumstances surrounding such accidents.

45. All accident records and files, furniture, maps, computing machines and other equipment now being used by the Accident Prevention Bureau of the Maryland State Police shall be transferred to the **[Statistical]** *Central Accident Records* Bureau and shall become the property of said Bureau.

46. The Superintendent of State Police shall annually, within thirty days following the close of the fiscal year of the **[Statistical]** *Central Accident Records* Bureau, make a full financial and operative report to the Governor, showing the activities of the Bureau. The report shall describe and recommend such measures as the Superintendent may deem helpful for the more efficient administration of the Bureau and towards the reduction of traffic collisions within the State. Upon request of the Governor or upon his own initiative said Superintendent shall also make special reports covering the above subjects.

47. The Superintendent of State Police is directed to make available to the executive officer of any agency of the State or sub-division thereof, for the purpose of study, such files, records, and reports as he has which relate to traffic accidents or their causes; and the executive officers of such agencies are directed to extend the same facilities to the **[Statistical]** *Central Accident Records* Bureau. The
