No. 9

(House Joint Resolution 17)

Joint Resolution requesting the Governor to appoint a Commission to study the price structure and market facilities for perishable farm products sold on Maryland markets.

WHEREAS, The production of perishable agricultural products comprises a sizeable segment of Maryland's economy, it is vital that the function of marketing be as efficient as possible so as to prevent loss to farmers and furnish consumers with an abundance of quality produce at reasonable prices; and

WHEREAS, It is not unusual for gluts to depress prices below the cost of production of perishables during the peak
