

not been made, the Town Council may, upon discovery of such error, inadvertence, or oversight, correct the assessment by amendment of the ordinance making the same without further notice to the property owner or owners affected thereby provided that such property owner or owners had notice of the hearing conducted pursuant to Section 528E hereof and the error, inadvertence or oversight did not occur prior to the date of such hearing and was not contained in any notice thereof, but if such error, inadvertence or oversight occurred prior to such hearing or was contained in any notice thereof, it shall not be corrected unless the property owner or owners affected by such correction are given adequate notice and an opportunity to be heard.

528M. (108-13M) Obstruction of highways and rights-of-way.—*Prohibited unless permit obtained; exception.*

It shall be unlawful for any person, firm or corporation to tear up, dig into or under, or in any manner obstruct any public highway or right-of-way unless such person, firm or corporation has obtained a permit to conduct such activity from the Town or from any other governmental agency having lawful authority to grant such permission. Any person engaged in lawful parking, loading or unloading or emergency repair of a vehicle or any person awaiting emergency repair or towing service for a vehicle shall not be deemed to be obstructing a public highway or right-of-way within the meaning of Sections 528M through 528-O hereof.

528N. (108-13N) Same—*Permits for, in general.*

The Mayor or Chairman of the Streets and Roads Committee is hereby authorized to issue a permit for such reasonable periods of time as may be necessary, to any person, firm or corporation to conduct any activity which the Mayor or Chairman of the Streets and Roads Committee finds will require the tearing up, digging into or under, or temporary obstruction of a public road or right-of-way. Each such permit shall expressly describe the nature and extent of the tearing up, digging or obstruction of the public road or right-of-way which the Mayor or Chairman of the Streets and Roads Committee finds necessary. Any person, firm or corporation obtaining such a permit shall upon completing the operations specified in said permit restore the highway or right-of-way concerned to a condition equal to or better than its condition at the time said operations were begun.
